About *Christmas at Belmont Mansion 2019 Patrons Party*:

Adelicia Hayes Franklin Acklen Cheatham, Nashville's own Scarlett O'Hara, began building Belmont Mansion, an exquisite 36-room house in the Italian Villa style, as a summer home in 1849 and it took her ten years to achieve 20,000 square feet of perfection. Listed on the National Register of Historic Places since 1971, the Mansion is now nestled at the heart of Belmont University and meticulously maintained, including ongoing restoration, by the Belmont Mansion Association. ***Christmas at Belmont Mansion*** events, including the Patrons Party, Dinner at the Mansion and Breakfast with Santa, help the Belmont Mansion Association ensure that the original beauty of the Mansion and the rich legacy of Adelicia are alive, relevant, and exceptionally presented to visitors from across the country and around the world.

Of Note:

Christmas at Belmont Mansion 2019 Patrons Party will put guests in the Christmas spirit on Monday, December 2, from the moment they step into hostess Eleanor Menefee Parkes's gracious home, beautifully decorated for the winter festivities by bob and jason design duo Bob Deal and Jason Bradshaw. With Bill Forrester behind the bar and culinary queen Kristen Winston serving up light bites, the ***Christmas at Belmont Mansion 2019 Patrons Party*** will jump start the holiday season in style.
