About Christmas at Belmont Mansion 2019 Breakfast with Santa:

Designed to delight and entertain, *Christmas at Belmont Mansion 2019 Breakfast with Santa* brings 19th century Christmas traditions in to the 21st century. Educational outreach is a key component of Belmont Mansion's mission. With Mansion tours included in the morning's program, guests young and old will learn about the past while having a grand time in the present.

Of Note:

Grandparents and parents will accompany their darling progeny to this new, annual event, *Christmas at Belmont Mansion 2019 Breakfast with Santa* on Saturday, December 7. Whether they decide to first write the all-important letter to Santa, savor the pancake breakfast buffet or tour the festively decorated Mansion where interpreters will describe Yuletide customs from years gone by, the visit with Santa will no doubt be the highlight of their morning. With Wynd & Paisley Photography capturing the moment, they won't soon forget it.
